

IAIN DICKSON & SALLY-CLAIRE FADELLE

IFIELD

VOTE GREEN TO HAVE YOUR VOICE HEARD IN CRAWLEY

Sally-Claire will work with the community to improve local facilities and residents' wellbeing.

Iain will support Crawley's economic recovery and protect outdoor spaces.

OUR PLAN FOR CRAWLEY

C OMMUNITY. Bring people together through community projects and partnerships, making Crawley a beacon of community engagement.

R ECOVERY. Support Crawley's economic recovery by prioritising local people and business.

A IRRPORT. Help Crawley to grow and reduce dependence on Gatwick Airport, protecting existing jobs and working to create alternative livelihoods.

W ILDLIFE. Safeguard our wildlife by addressing concerns over reckless plans like the West of IField development, which would be catastrophic to important ecosystems.

L OCAL. Make our local areas cleaner and safer, with more bins, better council provision and community action.

E MPLOYMENT. Build better employment opportunities whilst reducing our heavy reliance on the air travel sector.

Y OUR TOWN. Launch Crawley forward as a pioneer in local business and green economy growth, and as a desirable place to visit, live, learn and grow.

WE CAN WIN

Across the UK, 2019 saw the best local election results in the history of the Green Party. On 1st May 2019 the Green Party had **178** councillors across **68** councils – on 3rd May 2019 there were **362** councillors across **122** councils.

BRINGING BALANCE TO THE COUNCIL

Crawley council is at a stalemate with 15 Labour, 17 Conservative, 2 Independent Councillors, and 2 vacancies.

2 Green Councillors would break the stalemate, bring balance and give the opportunity for your voice to be heard.

WE WILL WORK HARD FOR YOU

Iain and Sally-Clare work tirelessly for the Crawley community. This includes campaigning for **school meals** and against **bedroom tax** as well as actively participating in **green allotments**, 'Think Green' Cooperative and **Crawley Trades Council**.

GREEN RECOVERY FOR CRAWLEY

The Covid-19 pandemic has hit Crawley hard. We deserve a green recovery that brings better employment opportunities and strengthens our local economy.

We want to see:

- A Green New Deal for Crawley that addresses environmental concerns whilst creating new jobs and reducing economic inequality
- A sustainable economic model that prioritises local businesses and facilities
- A local exchange and trading system to build community and provide opportunities to all
