CRAWLEY BOROUGH COUNCIL LOCAL ELECTIONS – 6TH MAY 2021

I have lived in Bewbush since I was 3 years old and strongly believe we live in the best neighbourhood in Crawley. There is a very real risk however, of quickly losing much of what gives Bewbush its identity and soul. Vote for me if you believe in preserving our green spaces, and play areas across the neighbourhood. I will oppose closures to Adventure Playgrounds like Waterfield, and push to save our remaining, much loved green areas in Bewbush West.

The proposed Henty Close site

PROTECT OUR GREEN SPACES

The Henty Close housing development is a prime example of bad planning from Crawley Borough Council. This proposal will:

- Damage local wildlife and the environment
- Reduce light reaching adjacent homes and gardens
- Infringe on the privacy of neighbouring homes with flats able to see into gardens and rooms
- Eliminate well used green space
- Disregard the importance of spaces to walk and exercise for children and adults.

Green spaces are still enjoyed by local residents

IT'S RICHARD KAIL FROM THE GREEN PARTY OR MORE OF THE SAME...

Richard Kail has made huge progress since first standing in 2015 in Bewbush. Coming just four votes away from the nearest Conservative in 2019.

"I have been listening to Bewbush residents now for well over 5 years, and I know that residents don't identify with their councillors, don't feel represented and it shows. Just 25% of Bewbush residents voted in the 2019 local elections. Well below Crawley's average. Let's change that." – **Richard Kail.**

LOCAL RESIDENTS MAKE THE BEST COUNCILLORS

Vote for Richard Kail, Bewbush resident, for a councillor that cares.

“As a local resident, I believe I’m best placed to truly understand Bewbush and North Broadfield residents’ concerns and act in our best interests” – Richard Kail

“Crawley needs councillors that won’t hide from residents, councillors that will listen and put in real work to make their neighbourhoods somewhere to be proud of” – Richard Kail

ABOUT RICHARD KAIL

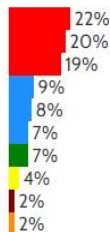

A local champion for the community

Richard was born and grew up in Crawley and moved from Ifield with his parents to Bewbush when he was just 3 years old. A student at Waterfield, then Bewbush Primary School before going on to Holy Trinity School, Richard was a keen footballer growing up and joined Crystal Palace at the age of 13. After some unfortunate injuries, Richard began working at Gatwick Airport full time at just 18 years old.

Now 25, Richard works on the railway, based at Horsham. He knows the commute and the value of local public transport links to those in Bewbush and the surrounding areas. This will be Richard’s 5th local election, and he’s more than ready to win.

Local elections are often won on local issues. Richard Kail is the clear alternative to the same old two parties and a matter of a few hundred votes could change everything at this local election. Don’t be pushed into voting for one of the two main, ‘business as usual’ parties, vote for Richard Kail, Green Party on 6th May.

RICHARD’S TOP PRIORITIES

1. PROTECT OUR GREEN SPACES AND PARKS
2. REVERSE DECISION TO CLOSE ADVENTURE PLAYGROUNDS
3. INCREASE ELECTRIC VEHICLE CHARGING POINT LOCATIONS IN BEWBUSH
4. IMPROVE BIN COVERAGE IN BEWBUSH AND NORTH BROADFIELD, REDUCING LITTER AND KEEPING THE NEIGHBOURHOOD TIDY
5. EXPLORE WAYS TO PROTECT CRAWLEY’S GREEN BORDERLANDS FROM EXTENSIVE BUILDING PLANS FROM NEIGHBOURING COUNCILS.

GARY SAYS

Gary, Masefield Road:
“Richard, as a local resident, has fought hard for the area consistently for many years now.

His plans to protect our green spaces and local play areas are key reasons why I will seriously be thinking about voting for Richard on 6th May.
