VOTE FOR MAX PERRY

A STRONG, PROVEN CANDIDATE COMMITTED TO DELIVERING SUPPORT FOR OUR LOCAL COMMUNITY

Max is ready to speak up for Maidenbower

Crawley Greens are delighted to announce that Max Perry has been selected as the Crawley Green Party Candidate for Maidenbower Ward in the upcoming Crawley Borough Council elections on Thursday, 5th May

Max writes: "I am excited to have been selected as the Green Party's candidate for the local

elections. With your support I can continue working for our local area and for key issues that you have raised with me, such as working against further housing development, reporting fly-tipping and improving recycling. I will speak up for our area, which has been under particular pressure recently."

THIS TIME IT'S BETWEEN MAX AND THE CONSERVATIVES

For two decades this area has been Conservative by default. However, this time it's anticipated to be a close run race between Max and the Conservatives.

Max will protect and strengthen the qualities that make Maidenbower unique, whilst supporting the actions needed to address the climate emergency.

Max ran his own business for many years and is a strong advocate for local businesses. This, with his previous experience as Treasurer to a local Church Council, gives him the ability to bring a knowledgeable, questioning voice speaking up for Maidenbower at the Council.

MAX: "I'M CONCERNED ABOUT OVER-DEVELOPMENT AND JOBS"

HOUSING: FROM HORSHAM TO EAST GRINSTEAD

One side of Crawley is growing into Horsham ('Crawsham'). North of Maidenbower, the new developments east of the M23 are pushing house building towards East Grinstead. This over-development is not necessary or affordable. It doesn't have enough schools and doctors, it's clogging our roads with traffic and is taking away our green spaces. Max will speak up against the continuing growth of Crawley and all resulting problems.

TRAVEL: OPPOSING GATWICK EXPANSION

Max joined forces with other local groups to oppose Gatwick Airport expansion plans. He voiced his worries at the recent Gatwick consultation in Crawley and shared expansion issues in a recent Maidenbower newsletter.

BUSINESS/ENVIRONMENT: GREEN NEW DEAL JOBS

Center Parcs has announced its intention to develop a site south of Maidenbower. Opposed by five wildlife charities, the site is likely to include 1,500 parking spaces and severely damage the ancient woodland. It will be HUGE – two thirds the size of Maidenbower! It will bring a lot more traffic to our roads, but only a few jobs. The Gatwick Green New Deal offers much more hope for our area:

MAX PERRY: A FRESH, STRONG VOICE FOR MAIDENBOWER

UNLIKE OTHER PARTY CANDIDATES MAX IS FREE TO SPEAK UP FOR OUR AREA

THIS ELECTION IS TO ELECT JUST ONE OF YOUR THREE LOCAL COUNCILLORS

Whatever happens at this election, you'll still have at least two Conservative Councillors.

The third seat this time is between Max and another Conservative.

Max Perry asks, "Do you want an independent voice for Maidenbower, putting residents and not party politics first? Did you know, the Green Party NEVER tells their councillors how to vote? That means I will be able to listen to your views in order to do what's best for Maidenbower and for Crawley – such as pushing to make the development of Three Bridges Station happen more quickly, and campaigning for good cycle and pedestrian routes for all to use."
